

**NORTH UNIT IRRIGATION DISTRICT  
JEFFERSON COUNTY, OREGON**

**RESOLUTION NO. 2013-02**

**A Resolution Regarding Account Charges**

**FINDINGS:**

- A. The North Unit Irrigation District (District) has determined that there are numerous accounts with small acreage, and these small accounts are increasing in number taking an increasing amount of administrative time. Therefore, an account charge is necessary to compensate the District for the amount of administrative time taken for these small accounts.
- B. "Owner" is defined as a person, person, entity, or entities which own land(s) to which the District's water rights are appurtenant. Owner may own more than one parcel of land and still have one account charge so long as each parcel or account is in the same ownership.

**NOW THEREFORE, be it resolved by the Board of Directors as follows:**

**Section 1. Resolution.**

- 1. The District shall impose an account charge, determined by the Board of Directors, per owner of an account or accounts. Each separate owner shall be charged an account fee. For example: three parcels of land owned by a person who owns land(s) individually, the same person owns land in common with another person or entity, and the same person is a shareholder of a corporation which owns land, the three ownerships shall each be charged an account charge.
- 2. Any existing or new partitions or subdivisions that have formed a legal corporation or organization to manage the irrigation water, per district ordinance relating to partitions and subdivisions, shall be charged one account fee.
- 3. The account charge shall be billed at the same time the operation and maintenance charge is billed in December starting with the 2005 water year.
- 4. This Resolution replaces Resolution No. 04-04.

**Section 2. Effective Date.**

**THIS RESOLUTION SHALL TAKE EFFECT IMMEDIATELY UPON ADOPTION BY THE BOARD OF DIRECTORS.**
