

North Unit Irrigation District 2022 Water Shut Off and Allotment Update

At the September 13, 2022 North Unit Irrigation District Board Meeting the board set the 2022 irrigation season water shut off date as Friday, October 14, 2022. This date is tentative and could change with weather/demands. More details to follow later this month.

The board also made the decision to add to the allotments on Oct. 1, 2022. .10/acre for Deschutes River water rights and .05/acre for Crooked River water rights.
