North Unit Irrigation District

Dear NUID Patrons,

I hope you are doing well. Thank you to those who participated in yesterday's Town Hall meeting. We had a good turnout with a lively Q&A session. District Board and Staff appreciate the constructive comments and recommendations that we received.

Please see the attached PowerPoint presentation that I gave, at the meeting. We have made a few minor changes to slide number two, concerning allotments and the total on-farm water delivered. We will post the PowerPoint presentation and audio/video of the meeting to our website, once edits are completed.

I wish you the very best, this Holiday season.

Pray for moisture!
